

LED-A01		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 12 units LED</p>
LED-A02		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 12 units LED</p>
LED-A03		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 12 units LED</p>
LED-A04		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 12 units LED</p>
LED-B03		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 9 units LED</p>
LED-B04		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 9 units LED</p>

LED-A01B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-A02B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-A03B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-A04B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-B02B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-B03B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>

LED-B04B		<p>Stainless Steel panel,aluminum body, plastic housing with fixing-spring clip aluminium die-casting base 16 units LED</p>
LED-J01		<p>Material:stainless steel or aluminum,14 leds</p>
LED-J02		<p>Material:stainless steel or aluminum,14 leds</p>
LED-J03		<p>Material:aluminum, 15LEDS</p>
LED-J03A		<p>Material:aluminum, 14LEDS</p>

LED-J04	 A rectangular, recessed LED light fixture with a white, textured diffuser cover. The light is illuminated, showing a soft, even glow.	Material:aluminum, 18LEDS
LED-J04A	 A rectangular, recessed LED light fixture with a white, textured diffuser cover. The light is illuminated, showing a soft, even glow.	Material:aluminum, 18LEDS
LED-J05	 A rectangular, recessed LED light fixture with a white, textured diffuser cover. The light is illuminated, showing a soft, even glow.	Material:aluminum, 27LEDS
LED-J05A	 A rectangular, recessed LED light fixture with a white, textured diffuser cover. The light is illuminated, showing a soft, even glow.	Material:aluminum, 27LEDS
